It's 1927 and Al Capone is The Big boss ruling Chicago. He controls speakeasies, bookie joints, gambling houses, brothels, horse and race tracks, nightclubs, distilleries and breweries at a reported income of \$100,000,000 a year!

Your Gang wants a piece of this action, but you're going to have to gain the respect of the other gangs if you're going to succeed in ousting Capone.

Your gang needs to compete in various gangster challenges to gain points to determine which gang has what it takes to rule Chicago!

Which gang will rise above the rest to become the Ultimate Gangsters? It will take more teamwork than skill to be successful!

Which gang will ace at the gambling tables, master the shooting range and be the first to succeed at burying a mobster, let's find out!
