High 5 Feud

High 5 Feud takes all the fun, energy, and excitement of the show you see on TV, and bring it to you live! But we take it one step further by ensuring that EVERYONE plays.

We also ensure high energy and interactivity by including short, fast-paced challenges that physically involve the participants. These activities are each designed to take 3-5 minutes, and they are interspersed with the more traditional Gameshow-type questions.

Games can be designed specifically for your organization by including questions about your profession, your company, your products, even your co-workers!

They say you spend so much time with your co-workers that they become like family. Is that the case with your corporate team? Let's put the theory to the test with our High 5 Feud!
